SIR

The inventor, Andreas Pein, has made an invention entitled:
*"WATER-JET DEVICE FOR SEPARATING A BIOLOGICAL
STRUCTURE"*.

The undersigned did not receive timely a properly executed
declaration by said inventor to be filed with this application. The
undersigned respectfully requests that the enclosed application for patent be

accepted and that a filing date be granted. It is further petitioned that any extensions of time be granted as they may become necessary, in particular in connection with the timely filing of required declarations, and the United States Patent and Trademark Office is authorized to charge any fees required to deposit account 11-0224.

Applicant is enclosing a stamped self-addressed postcard with a summary relating to this filing. It is respectfully requested that this postcard receive the date-stamp and Serial Number stamp of the United States Patent and Trademark Office and then be promptly deposited with the United States Postal Service. If such card should not be found in the application papers submitted, then Applicant herewith inquires about the status of this application and requests that corresponding status information be mailed to the undersigned.

The application includes a specification with pages consecutively numbered and at least one claim.

For purposes of paying the required fee a check is enclosed. Any fees required in addition are requested to be charged to Deposit account # 11-0224. It is petitioned that any time extension which might be required in connection with the filing of this application or in connection with any papers submitted at a later point in time relating to this application be granted.

Respectfully submitted,

Andreas Pein
